Ethical & Sustainable

We avoid using plastic as much as we can. All toiletries are refillable and we use organic products produced by local communities.

Stations of drinking water are available in the common areas and all rooms.

We recycle glass bottles and donate to great initiatives that are transforming them into stylish, everyday-use items such as the glasses we use in our restaurant!

We work with local suppliers, and we use local materials respecting both the environment and the traditions of the Swahili culture.

We compost and sort our waste.

Our owner is the founder of the farmers market Zanzibar and feels passionately in the sustainable food cycle which is why our restaurants are supplied by local growers and producers wherever possible.

Location

Zanzibar, Michamvi, South East Coast - a beautiful, secluded & unique tidal beach. Upendo Beach is located right opposite the popular The Rock restaurant.

Ocean view Restaurant & Bar

BOHO SOCIAL: our restaurant continues to blend the signature Upendo recipe of style; barefoot luxury with a contemporary twist - that will ensure you always feel right at home in your surroundings!

New creations from our talented chefs incorporate innovative, fresh, organic, and tasty dishes for all food lovers - whether you prefer seafood, meat, vegetarian or vegan dishes our menu will definitely satisfy you!!

Our bar serves delicious signature style craft cocktails and a wonderful menu of delicious artisan coffees, milkshakes & healthy smoothies

We also bake! And offer a selection of freshly baked bread, pastry & desserts.

SPA & Retreat

Wellness in today's lifestyle is essential and we hope to help you nurture yourself whilst vacationing with us.

Through curated signature treatments by Healing Earth we connect you to your inner self, one that leads you to a state of stillness, breathing life into your body and spirit.

Yoga private sessions in our villas are also available upon request.
